**Administration, Engineering, Solid Waste,  
Streets, Wastewater Treatment, Traffic & Parking  
Parks & Recreation**

*Where do I go to get a sewer permit? When do summer camps start and how do I register my child? How does a street get chosen to be paved? What is a CSO? What is wastewater treatment? What services does the Solid Waste Department offer? What infrastructure projects are we currently working on? What doesn't go down a storm drain? What is our snow plowing emergency plan?*

*“The mission of the Nashua Division of Public Works is to ensure a safe and livable city for all by enhancing and protecting the city's infrastructure while providing quality, efficient services to our citizens with our transportation network, wastewater system, parks and recreation programs, stormwater management and solid waste programs.”*

**Rick Seymour, Director, Division of Public Works**
