What I would like to do at this time is open it up to those of you who are out there to speak tonight. Come to any seat and introduce yourself. What we would like to do is get an updated from those that have been in the multi-year funding and anyone that has an ongoing project with CDBG. Whoever would like to join us first please come forward.

Pat Francis, Executive Director, Senior Activity Center

Chair Cardin

Is there anyone else who would like to speak this evening on the Community Development Block Grant Consolidated Plan? I see other people in the audience who haven't come forward. If you would like to please do.

Alderman Tollner

You may want to ask people from the general public if they would like to speak. I am not sure if they understood what you were just saying.

Chair Cardin

Anyone who would like to speak is able to come forward and speak. If there is anyone that would like to say anything at all. Otherwise we will close the public hearing and go back to our regular agenda.

The Public Hearing was declared closed at 8:18 P.M.
