### ON THE QUESTION

### Chairman Plamondon

Officer Costa did send a memorandum last meeting that outlined some of the grants. Some of them we have already passed like the New Hampshire Click Seat Belt Grant. On this particular legislation, this \$4,600 is from Oracle Corporation as a donation to the City of Nashua. The funds will go to the Police Department to donate towards two ballistic shields. The cost of these two

shields is \$3,598. The remaining \$1,002 will be put towards the creation of Nashua Crime Line. Currently we do not have one, and several other communities do. There are no matching funds towards this donation. Are there any questions from the committee members? If there are Officer Costa is here to answer any. The motion is to recommend final passage.
