Chairman Rootovich

Before we close the public hearing again it will be my intent to have as many meetings as possible open to the public. I would encourage everybody either in the audience or watching on TV to read the document that is on line at the city's web site, to forward any questions that you have to our Legislative Manager, Sue Lovering, who will get it not only to this committee, but all the members of the Board of Aldermen so we can pre-sort through some of those questions and get some answers before our meeting starts. We will make every attempt to notify everybody either through the newspaper, through our city's web site, which posts all our Aldermanic meetings as well as again the local radio, newspaper, and through the Chamber of Commerce. My number is available. Feel free to call me any time. I would be glad to answer any questions as well.

The Public Hearing was declared closed at 7:45 p.m.

Alderman Kathryn D. Vitale
